Promise Fulfilled.

A child brings promise of joy and achievement into the world.

Since 1962, St. Jude Hospital has worked to save children for whom that promise is threatened by catastrophic disease. You can help — call 800-877-5833.

ST. JUDE CHILDREN'S RESEARCH HOSPITAL
Danny Thomas, Founder

Lower the numbers and raise your odds.

Controlling your blood pressure can reduce your chances of heart disease. Have your blood pressure checked. And keep it in check for life.

American Heart Association
